STIPULATION AND ORDER RE: STAY  
U.S.D.C., N.D. Cal., No. C-05-1247-JF

## **STIPULATION**

Plaintiff Gustavo Herrera and defendant Sodexho, Inc., acting through their respective counsel of record, hereby stipulate as follows:

1. This action, *Herrera v. Sodexho, Inc.*, U.S.D.C., N.D. Cal., No. C-05-1247-JF ("Herrera"), and a related action, *Cevallos v. Sodexho, Inc.*, U.S.D.C., N.D. Cal., No. C-05-1671-JF ("Cevallos"), both are currently pending before this Court. A case management conference in both actions is scheduled for Friday, January 6, 2006.

2. On December 15, 2005, the parties in *Herrera* and *Cevallos* participated in a private mediation before Antonio C. Piazza of Gregorio, Haldeman, Piazza, Rotman & Frank, which produced a settlement of both actions.

3. Because both actions are putative class actions, the settlement is subject to preliminary and final judicial approval before it may become effective.

4. As part of the settlement, and to avoid any issue of whether this Court has jurisdiction over the actions to approve a settlement (due to the question whether plaintiffs' claims are preempted by the Employee Retirement Income Security Act of 1974), the parties have agreed that a new action will be filed in Alameda Superior Court for the sole purpose of obtaining preliminary and final judicial approval of the settlement. Should that occur, the parties then will stipulate to dismissal of *Herrera* and *Cevallos*. Should the settlement not be approved, then the Alameda Superior Court action will be dismissed and the parties will request the Court to lift the stay in *Herrera* and *Cevallos*.

5. The parties therefore believe there is good cause for, and on that basis request that the Court order, a stay of both *Herrera* and *Cevallos* until such time as either the settlement of both actions is finally judicially approved, or the settlement of both actions is not finally judicially approved, by means of the planned Alameda Superior Court action.

6. The parties anticipate that the settlement will receive final judicial approval in or about June 2006. The parties will timely report to the Court at that time on the status of judicial approval of the settlement before the Alameda Superior Court.

7. Nothing in this stipulation is intended to constitute a waiver by either side of its respective position on whether the Court has jurisdiction over *Herrera* or *Cevallos*.
